

LANAI Dolphin Adventure

Our Explorer Super Rafts can be described in one word: ***FAST!!***

Start your morning with juice and Kona coffee during check-in at Slip #11 in Lahaina Harbor. Souvenir photographs of our passengers are taken by a professional photographer when you board our Explorer Super Raft. After leaving Lahaina Harbor, we head across the channel to the island of Lanai. Two snorkel sites are selected by the captain to provide the clearest and calmest ocean conditions. Snorkel gear, instructions and safety tips are provided by our experienced captain and crew. Spinner and bottlenose dolphins are often encountered off the island of Lanai with lots of tropical reef fish, green sea turtles and occasional manta rays at the snorkel sites.

Morning snacks and a deli lunch are served on-board at one of the snorkel sites, along with unlimited sodas, juices and bottled water during the trip.

Spinner Dolphins

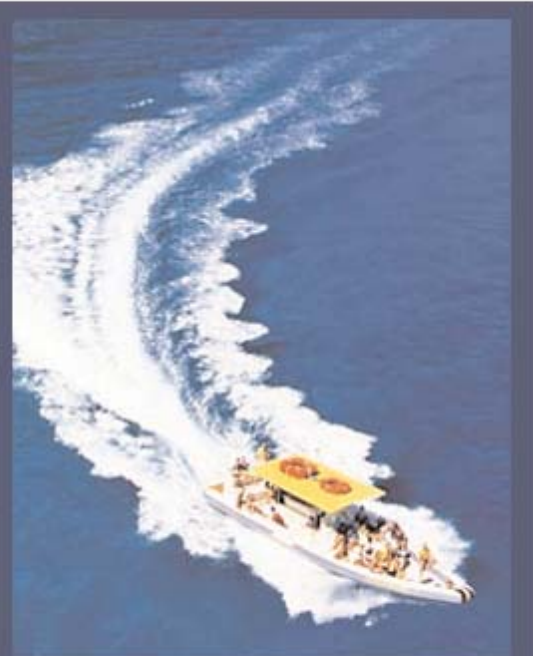

Features:

1. Travel to and see another island from the water - Lanai, the pineapple island.

2. This eco-adventure is on one of our Explorer Super Rafts, the largest in the islands and the only rafts with an onboard restroom. Our Explorer Super Rafts are powered by twin engines and are fast and comfortable.

3. Our Marine Eco-Adventure includes some of the most pristine snorkel sites and reefs in the Hawaiian Islands with an excellent chance of seeing large schools of spinner and bottlenose dolphins, manta rays, tropical reef fish and green sea turtles.

4. An inexpensive half-day morning eco-adventure with snorkeling at pristine uncrowded sites and viewing of Lanai's resident pod of spinner dolphins - a truly unique experience. Come join us on the Lanai Dolphin Adventure - Hawaii's Best!!!
